

Stakeholder responsibilities

I, Larry McKay, agree to be the Stakeholder for the project SkeYe360. As the Stakeholder, I (or my technical team) agree to signoff on completed user stories and meet, briefly, with the students at the end of every two-week iteration to discuss the progress of the project (meetings can be on the phone). I will also do a set of initial meetings to determine the core features and user stories. I am committed to the full term of this project, from September 2019 to the end of April 2020.
